### Welcome to the St. Paul Education PowerSchool Parent Portal!

By clicking on "Accept" you agree to the terms and conditions described in SPERD Administrative Procedure 140: [Acceptable Technology Use](#). The use of this portal service is a privilege, not a right, and may be revoked at any time. Inappropriate, unauthorized or illegal use will result in suspension or cancellation of this privilege. SPERD supports strong passwords and requires qualified parents to create a strong password for their Parent Portal access. Once the password is created the parent is the sole owner of the password and is responsible for its security. The School or Division office has no record of this password.

You also acknowledge that teachers may use the email address you provide to send you information regarding your child's education and progress.

Any parent using the SPERD Parent Portal to communicate with staff does so understanding Administrative Procedure 160: [Welcoming, Caring, Respectful, Safe and Inclusive Learning Environments](#) which states "The Division firmly believes that students, staff and all members of the school community have the right to learn and work in a welcoming, caring, respectful and safe environment free of all forms of discrimination, prejudice, and harassment." Parent actions are also governed by Section 16.2 of the Alberta School Act which states: "A parent of a student has the responsibility to (b) ensure that the parent's conduct contributes to a welcoming, caring, respectful and safe learning environment, (and) to (d) encourage, foster and advance collaborative, positive and respectful relationships with teachers, principals, other school staff and professionals providing supports and services in the school." SPERD can at any time remove the privilege of use of the portal due to inappropriate use and/or harassment of staff as stated in AP 140.
